OFFICE MEMORANDUM

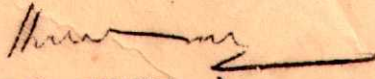

SUBJECT:- Central Civil Services (Revised Pay) Rules, 1960 -  
Calculation of service for determination of the  
ceiling limits under rule 10(2)(i).  
-.-.-.-.-

The undersigned is directed to refer to the Office Memorandum of even number dated the 10th May, 1961, laying down the method of calculation of service of more than 10 years for the purpose of the higher ceiling of Rs. 7.50 nP in the case of revised scales ending at Rs. 100 or less.

2. A case has been brought to notice where a Government servant drawing a pay of Rs. 34.50 nP in the prescribed scale of Rs. 30-1-35 had rendered service for more than 10 years on 1.7.1959 in that scale, and his pay on the revised scale of Rs. 70-1-80-EB-1-85 has been fixed at Rs. 77 p.m. with effect from that date. The pay of another Government servant who was drawing on 1st July, 1959 a pay of Rs. 35 p.m. in the same prescribed scale and who had also rendered service of more than 10 years in that prescribed scale on that date has been fixed on the revised scale of Rs. 70-1-80-EB-1-85 at Rs. 77 plus 50 nP as personal pay to be absorbed in future increases in pay. As on the application of the same ceiling limit of Rs. 7.50 nP, the pay of a Government servant drawing on the prescribed scale a pay at Rs. 34.50 nP has been fixed on the revised scale at the same stage as that of a Government servant drawing pay at Rs. 35 in the prescribed scale, the Government servant drawing pay at Rs. 35 p.m. will be entitled, under proviso (ii) of Rule 11, to draw the next increment raising his pay to Rs. 78 on 2nd July, 1959. As clarified in this Ministry's endorsement No. 12(21)-Est(Spl)/61, dated 24th March, 1961, this benefit is not dependent upon a concrete case occurring in a particular Establishment, Office or Department. Thus all Government servants who were drawing a pay of Rs. 35 p.m. in the prescribed scale of Rs. 30-1-35 and whose pay on the revised scale of Rs. 70-1-80-EB-1-85 has been fixed at Rs. 77 plus 50 nP as personal pay with effect from 1st July, 1959 will be allowed the next increment with effect from the 2nd July, 1959. But if the pay of such a Government servant is fixed on the revised scale at Rs. 75 (on the basis of ceiling limit of Rs. 5), his next increment will fall due after service of one year qualifying for increment under F.R. 26 with effect from 1st July, 1959.

3. Cases of persons, who were drawing pay at lower stages in the existing scale but whose pay on the revised scale is fixed on the basis of the higher ceiling of Rs. 7.50 nP., will also be regulated in the manner indicated in the foregoing paragraph. The enclosure to this Office Memorandum indicates how the dates of next increment will be regulated in case of persons drawing pay in the existing scale of Rs. 30-1-35 and whose pay on the revised scale is fixed on the basis of the higher ceiling of Rs. 7.50 nP.

4. In so far as the persons serving in the Indian Audit and Accounts Department are concerned, these orders have been issued after consultation with the Comptroller and Auditor General of India.
