Government of India
Ministry of Finance
(Department of Expenditure)

New Delhi, dated the 4th Sep., 1968.

OFFICE MEMORANDUM

Subject:- Regulation of date of next increment after crossing the efficiency bar.

The undersigned is directed to say that a question has been raised whether, at the subsequent crossing of Efficiency Bar, after a Government servant was held up at the Bar stage for some time, his original date of increment should be restored or he may be ordered to serve for one year at the new stage after crossing of Efficiency Bar so as to earn the next increment.

2. The President is pleased to decide that, in such cases, once the competent authority has determined the stage at which the Government servant concerned should draw his pay from the date he is allowed to cross the Efficiency Bar, the next increment above that stage will accrue to him on the usual date of drawal of increment, if otherwise admissible and not after rendering one year's service.

3. These orders will take effect from the date of issue and the past cases decided otherwise shall not be re-opened.

4. In so far as persons serving in the Indian Audit and Accounts Department are concerned, these orders have been issued after consultation with the Comptroller and Auditor General of India.
