No.F.2(2\(^{h}\))E,III(A)/70
Government of India
Ministry of Finance
Department of Expenditure.

New Delhi, Dt: 12-10-1972

Office Memorandum

Subject: Grant of additional pay to promoted Officers of certain established Central Services, Class I.

The undersigned is directed to refer to this Ministry's O.K. of even number dated 12-1-1971, wherein officers promoted from Class II to Class in the Indian Audit, and Accounts Service, Indian Defence Accounts Service and Central Excise and Customs and Central Excise Service, were granted two additional increments of Rs.40/- each, when they are appointed to the senior posts involving group charge such as Deputy Accountant General or equivalent. The promoted officers of certain other Class I Services carrying the integrated scale of Rs.1,400-1,250, did not become eligible for this benefit where due to administrative or other organisational reasons, the condition of group charge (viz., supervision over another Class I officer) could not be fulfilled. As this created a selling of invidious distinction among officers of the various Central Services Class I carrying the aforesaid integrated scale, the matter has further been reviewed and it has been decided by the President to extend the above benefit of two additional increments in the integrated scale of Rs.1,400-1,250, to promoted officers of the Indian Postal Service, Indian Income Tax Service, Customs Wing of the Customs and Central Excise Service and the Military Lands and Cantonment Service subject to the conditions enumerated hereunder:

(i) The benefit of two additional increments in the integrated scale of Rs.1,400-1,250, will be admissible to the promoted officers only after they have put in service for three years on a regular basis in Class I posts, after their promotion from Class II to Class I. The duration of any ad-hoc appointments or short-term promotions to Class I posts should not be reckoned for computing the period of three years for the above purpose.

(ii) The normal dates of increment will continue to be the same dates on which increments will have fallen due but for the grant of these additional increments.

(iii) The above benefit of two additional increments will not, however, be admissible in those cases where the pay on promotion to Class I has been fixed at 510/- or below in the integrated scale or where as a result of fixation of pay at the stage of Rs.700/- in the integrated scale the officer has already reaped a benefit of increase in pay of Rs.120/- or more.

p-t-o
The above benefit will take effect from the date of this Office Memorandum and will apply to officers of the aforesaid four Services who are promoted after 1.7.1959 and continue to be in the integrated scale on the date of issuance of this Memorandum but the benefit of two increments equal to ₹.40/- each may be allowed notionally from the date on which the condition of three years service on a regular basis in Class I posts has been fulfilled. No arrears will be admissible for the period prior to the date of this Memorandum.

2. It is also clarified that in the case of officers whose pay before the grant of the above benefit stood at the stage of ₹.1060/- the pay after the admission of the above benefit would be fixed at ₹.1100/- (second stage in the integrated scale) only so as to allow to the officer the same extent of benefit in the integrated scale as would have accrued in the normal span of two incremental stages in the scale.

3. The benefit sanctioned above is only of an interim nature pending the receipt of the Third Pay Commission's Report and shall be subject to further review after the Third Pay Commission's recommendations are received and considered by the Government.
