To,

All the Secretaries/ Financial Advisers of Central Government Ministries/ Departments
Background

The Model Tender Document is intended to be used by all Central Government Ministries/ Departments and their attached and subordinate offices, Central Public Sector Entities, Autonomous Bodies and Statutory Bodies.

This generic document is made for Single Stage, Two Covers, Domestic Open Tenders through GePNIC eProcurement of general Goods. However, core clauses have been added (without making the document unwieldy) so that it can be customised by adding suitable additional clauses in AITB and SCC to suit Global tender; Single cover; Annual Running Supply Contracts; Rate Contracts; Capital Goods; Contracts involving fabrication/ installation/ Commissioning etc.

This document is for use by different organisations and customisations may be required for many parameters e.g., name of organisation; whom is the bid to be addressed (The President of India, through ......), Tender number, Title of Tender, portal of e-procurement etc. These may occur at hundreds of places in text and in header/ footer. So, these are embedded in such a way that these can be customised at one place and rest of occurrences would get automatically changed. This would require a modicum of expertise in 'Word'. Please try it out.

There is no standardised nomenclature in Public Procurement in India and a mix of American, European, and Indian nomenclature has become common. 'Tender' is taken to mean (i) 'Tender Document' or 'Tender Process' as well as (ii) the 'Bid' submitted by the bidders. Similarly, participants in the Tender are called tenderers and bidders. This duality is reflected in 'Notice Inviting Tenders' and 'Instructions to Bidders' etc.

Although this is not an appropriate forum to discuss this topic in detail that it deserves, an attempt is made to standardise for this document 'Tender' for the (i) above and Bid for (ii) and hence Bidder is used instead of Tenderer and the document is being called 'Tender Document' instead of 'Bid Document'. Similar attempts are made in standardising other nomenclature in this document, without disturbing the nomenclature embedded in CPPP portal.

Please make suggestions also regarding readability; ease of comprehension and length of the document.

Please read obverse sides of cover page and inner cover page for details.

   (b) If L1 is not ‘Class-I local Supplier’, the lowest bidder among the ‘Class-I local Supplier’, shall be invited to match the L 1 price subject to Class-I local Supplier’s quoted price falling within the margin of purchase preference, and the contract shall be awarded to such ‘Class-I local Supplier’ subject to matching the L 1 price.
   (c) In case such lowest eligible ‘Class-I local Supplier’ fails to match the L 1 price, the ‘Class-I local Supplier’ with the next higher bid within the margin of purchase preference shall be invited to match the L 1 price and so on and contract shall be awarded accordingly. In case none of the ‘Class-I local Supplier’ within the margin of purchase preference matches the L 1 price, the contract shall be awarded to the L 1 bidder.

3) Where parallel contracts are to be awarded to multiple bidders: In Bids where parallel contracts are to be awarded to multiple bidders subject to matching of L1 rates or otherwise, the ‘Class-I local Supplier’ shall get purchase preference over ‘Class-II local Supplier’ as well as ‘Non-local Supplier’, as per following procedure:

   (i) In case there are no domestic bidders, a comparison of foreign offers can be made on the basis of CIF/landed costs since the rest of costs would be same for all bidders, provided the port of entry is same for all bidders.

   (ii) In case both Indian and foreign bidders have quoted in the tender, the comparison of the offers would be done on the basis of FOR/FOT destination including all applicable taxes and duties (on the principle of the total outgo from Procuring Entity’s pockets). In the case of FAS/FOB offers, the freight and insurance shall be (after ascertaining, if not quoted) added to build-up the CIF cost. To arrive at the Free On Rail (FOR) destination cost,
one per cent shall be added over and above CIF price as port handling charges and adding thereon custom duty, countervailing duty and surcharges, as applicable on the date of opening of the tender, as well as clearing agency charges, inland freight, as assessed. For bids with Letter of Credit (LC) payment, the likely LC charges (as ascertained from the Procuring Entity’s bankers) should also be loaded. The FOR/ FOT destination price for domestic offers may be calculated as in indigenous tenders.

(iii) If so stipulated, in AITB, foreign bidders shall quote both on FAS/ FOB basis and also on Cost and Freight (CFR)/ CIF basis duly indicating the break-up of prices for freight, insurance, and so on, with the Procuring Entity reserving the right to order on either basis. They should also indicate the ITC(HS) code and custom duty applicable in India

11.4.4 Cartel Formation/ Pool Rates
1) Cartel formation or quotation of Pool/ Coordinated rates, leading to “Appreciable Adverse Effect on Competition” (AAEC) as identified in Competition Act, 2002, as amended by Competition (Amendment) Act, 2007, shall be considered as a serious misdemeanour and shall be dealt accordingly as per clause 14 below, besides filing of the information with the Competition Commission of India, for further action.

2) Unless the Procuring Entity decides this to be case of Cartel/ Pool Rates, if more than one bidder quote same total evaluated price, then the Procuring Entity reserves its right to distribute unequal quantities to the bidders based on considerations like past performance, distance of destination godowns from the location of the factories, production capacities, any extra features/ benefits offered etc.

11.4.5 Consideration of Abnormally Low Bids
An Abnormally Low Bid is one in which the Bid price, in combination with other elements of the Bid, appears so low that it raises substantive concerns as to the capability of the Bidder to perform the contract at the offered price. Procuring Entity shall in such cases seek written clarifications from the Bidder, including detailed price analyses of its Bid price in relation to scope, schedule, allocation of risks and responsibilities, and any other requirements of the bids document. If, after evaluating the price analyses, procuring entity determines that the Bidder has substantively failed to demonstrate its capability to deliver the contract at the offered price, the Procuring Entity shall reject the Bid/ proposal.

11.4.6 Price Negotiation

Decision of Procuring Entity shall be final.

(ii) When it is declared in the TIS/ AITB to have more than one source of supply due to the critical/ strategic/ specific nature of the supplies/ Stores, the manner of deciding relative share of lowest bidder (L1) contractor and the rest of the Bidders shall be clearly defined, along with the minimum number of Bidders sought for the contract. In such cases the bidders should not quote for less than 25% of the tendered quantity; otherwise, their offer shall be considered as unresponsive. Unless otherwise stipulated in the AITB, in case of splitting in two and three, the ratio of 70:30; 50:30:20, respectively shall be used.
